## Description

---

The unique style of Apreamare is the consequence of a unique combination in the nautical world: the craftsmanship that has been handed down for five generations between members of the Aprea family and the modernity resulting from the development of advanced solutions and refined design. This formula, which combines the comfort of the gozzo with the speed of the yacht, is the secret of the popularity of the Apreamare shipyards. Thanks to its dynamism and centuries-old experience in the sector, Apreamare perfectly combines the elegant lines of traditional fishing boats with an innovative soul, giving the opportunity to maintain that refined allure at the helm without sacrificing the comfort of the interiors. Reliable and comfortable, Apreamare boats interpret an Italian style and an all-Mediterranean charm. Unique in their kind, these boats are cared for down to the smallest detail, in full respect of the ancient Sorrento nautical tradition since 1849, they can be found in Premiere Dame, which has been on the lake for ten years, in fresh water then, and then always stored indoors in Olbia, for minimal and very careful use.
