Description

DUFOUR 525 GL – An exceptional sailing yacht ready for ocean cruising
Discover this magnificent 2006 Dufour 525 GL, a 15.30-meter bluewater cruiser perfectly maintained and equipped for long-distance sailing. Based in the Mediterranean, this vessel offers a remarkable balance between sailing performance and onboard comfort.

Engine and performance

Powered by a 75 HP Volvo D2-75 engine with Sail Drive transmission, this yacht combines reliability and efficiency. With a cruising speed of 7 knots and moderate fuel consumption of 2 liters/hour, it proves economical for long passages.

Comfort and accommodations

The interior layout offers 3 spacious cabins accommodating up to 7 people, with 2 electric toilets (fresh/sea water) for optimal comfort. The living space features modern equipment including Dometic air conditioning, heating, 60L water heater, and complete LED lighting. The galley is fully equipped with 2 refrigerators (125L + 80L), freezer, oven, microwave, dishwasher (2021), and Kenwood washing machine (2021).

Autonomy and technical equipment

Autonomy is ensured by generous capacities: 800L of fresh water supplemented by a Dessalator 60L/h watermaker, and 400L of fuel. The electrical system has been recently upgraded with a Panda 6KWA generator (2023), 2 Victron 60Ah chargers (2025), 4 GEL 170Ah service batteries (2022), one 170Ah engine battery (2025), a Victron 700W inverter, and solar panels totaling 1200W.
