

SALE PRE OWNED

jokerboat Clubman 26

35 000 € ALL TAX INCLUDED

Description

It is the ideal inflatable boat for the family or for those who like to host many friends, because it focuses everything on two pillars: walkable space and stability.

The bow area has a large fixed sundeck that hides very large lockers to stow cushions and safety equipment.

The steering console is central, ergonomic and protective, with enough space for GPS and engine instrumentation.

The aft area is the real heart of the Clubman 26. We find a very deep "U" seat protected by the high sides, which can be transformed into a second sundeck or a dining area by adding a central table.

The deep "V" hull is designed to cut well through the short waves typical of the Mediterranean, ensuring dry and soft sailing.

The large diameter tubes touch the water when stopped, making the boat incredibly stable when at anchor.

The Clubman 26 is equipped with large aft platforms that facilitate ascent from the water and a sturdy steel roll-bar for the awning, which covers almost the entire aft area.

Main accessories: Compass - On-board computer - GPS - Teak stern platform - Stainless steel light rod pole - Electric winch
