uniesse marine Uniesse 42' open

240 000 € ALL TAX INCLUDED

Description

This Uniesse 42 represents a concrete proposal for those who want an open with the possibility of transforming it into a hard top, making it fully usable even in the winter season. In 2023, deck teak, axle bushings, exhaust risers, propeller balancing, turbines, new batteries and engines landed and overhauled by the official workshop were redone. Also in 2023, complete hull and deck polishing and underwater lights installation. In 2024 further interventions: new rear bench, new interior sofa, updated convertible dinette, new awnings, replacement of engine room fire extinguisher. All lamps have been converted to LEDs. The deck is well organized: new teak cockpit, rollbar, electric anchor windlass, 220V dock socket, bow thruster that makes maneuvers simple even with a small crew. Present Life Raft (2022).

Complete equipment: air conditioning, electric marine toilet, 220V internal sockets, kitchen with ceramic hob, oven, double refrigerator (indoor and outdoor).

It is a boat ready to buoy, technically updated and with all the work already carried out. An interesting asset for those who want to navigate immediately without planning extraordinary interventions.

INTERIOR DESCRIPTION

The interiors maintain the typical Uniesse style: warm, rational and well-distributed environments.

In the bow we find a double master cabin, comfortable and well organized, with new mattresses (2023) and adequate storage space for medium-long cruises. The guest cabin with flat beds guarantees real habitability, not a makeshift solution.
