Born from the passion of a team of designers with the aim of abandoning the search for compromises and being able to completely satisfy even the smallest needs. AB 68 revolutionizes the canons of life at sea, with unique performance, unparalleled habitability and absolute comfort.

Sailing with AB 68 is an experience full of intense emotions.

Seaworthiness, stability and the precise and immediate response to your every command make AB 68 the boat that will never give you unpleasant surprises.

The performance and maneuverability are exciting. This is due to waterjet propulsion. AB Yachts produces only boats powered by waterjets, reaching the leader-ship in the use of this type of propulsion. Its deep-V hull, meticulously studied in the tank and optimized for waterjet propulsion, is able to guarantee excellent performance and great seaworthiness.

The ten-year collaboration with the world leaders in the production of
