## Description

---

Sea Ray 290 Amberjack – 2000 | Twin MerCruiser engines – 240 HP  
Discover the Sea Ray 290 Amberjack, a boat that combines performance, comfort and versatility. Powered by twin 240 HP MerCruiser engines, it offers smooth handling and reassuring control, even in rough seas.

Her spacious and welcoming cockpit easily allows you to imagine enjoying an aperitif with friends, relaxing during a day at sea, or organizing a fishing getaway.

With generous volumes and smart layouts – including a convertible saloon, cockpit table with integrated cup holders, and a fully equipped galley (microwave, cooktop, refrigerator) – this model is designed to combine cruising comfort with nautical leisure. The 290 Amberjack stands out for its functionality and onboard comfort.

Engine hours: hour meter obscured. We recommend appointing a qualified mechanic to inspect the engines.

The vessel would benefit from some cosmetic refreshment, as well as a general check of the technical systems.

Berth takeover possibility available.

Viewings available 7 days a week in Antibes.
