Description

BOAT LIKE NEW – EXCLUSIVELY PRIVATE USE

ALWAYS STORED INDOORS DURING THE WINTER

2023 Heat exchanger cleaning

2022 Total Body Polishing

2019 New axles, propellers, rudders – diesel tank cleaning – complete deck renovation with 8mm teak – new gangway with hydraulics and control unit – internal and external upholstery

The aft area, for example, is imposing, able to convey a sense of safety that is always a pleasure at sea: but there is no shortage of cutting-edge construction solutions, such as the retractable hauling and launching davit for the jet ski, with electro-hydraulic opening in the upper area of the transom, or the access ladder to the starboard aft platform, which is raised to access the large and bright crew area and the engine room, where spaces, solutions, hallways and systems combine to make this room one of the most successful areas of the Abacus 70.

The cockpit offers a comfortable linear sofa with table, fully retractable mooring equipment and a solid and comfortable ladder leading up to the flying bridge, on which there is a large dinette, a multifunctional cabinet with sink, grill and fridge, a large sundeck forward of the steering counter-bridge, while there is also a space aft for the tender and the davit. The interiors offer a habitability attentive to individual privacy, while the attention to detail and finishes makes the common areas elegant and sophisticated.

The saloon is arranged, as is now customary on boats of this type, on
