

SALE PRE OWNED

robalo Robalo r 305

80 000 € ALL TAX INCLUDED

Description

The Robalo R305 is a walkaround that manages to balance two apparently opposite souls: that of the demanding deep-sea fisherman and that of the family looking for comfort for the weekend.

The heart of the R305 is its HydroLift™ hull with a deadrise of 21 degrees, designed to "cut" the wave instead of impacting it.

The cockpit is a parade ground designed for maximum versatility:

We find large insulated fish tanks, a professional live fish tank and a high bulwark that offers protection during fights with large fish.

It has foldable folding benches that, once closed, leave the deck completely free. The riding area is raised, offering 360° visibility and total protection thanks to the standard rigid hard-top.

The Robalo R305 offers cruiser volumes:

It can accommodate up to 6 people (V-berth in the bow, double berth in the stern and the characteristic "Pullman" bunk beds in the fold-down area).

Full kitchen with microwave and refrigerator.

A solid, dry boat built to last, perfect for those who do not want to give up professional fishing or the comfort of their guests."

Main accessories: 2 Gps with Raymarine ST 70 probe - Depth sounder - Outdoor shower - Hard top - Platform - Speakers - Stereo - Live fish tank - Fish tank - Rod holder - Awning

Mediation fees not included.
