## Description

EXCELLENT DEHLER 29 – BOAT –

2 cabins – 1 bathroom

2025 Solar Panel & MPPT Charge Controller – Fairing – Service

– Mainsail: QUANTUM AC5 performance, triradial, full batten,

– Rollable Genoa: QUANTUM AC5

performance, triradial

The Dehler 29 is a cruise-regatta built by the German shipyard of the same name to a design by the Judel/Vrolijk studio.

It is a marine cabin cruiser with a spacious interior that makes it comfortable when cruising. However, the hull is also competitive in racing, thanks to thin bow profiles and the long waterline. Features that, coupled with a fractional rig and generous sail area, make the boat fast and maneuverable.

The cockpit is contained with the mainsail traveler carriage that divides it in half, the transom can be opened. Inside there is a cabin aft, the saloon with a central "horseshoe" seat divided from the forward cabin by a curtain, a bathroom and the galley.

Navigation equipment:

AIS (B&G), 2 Display (B&G Triton multifunzione), Depth Sounder (B&G), GPS (B&G Zeus 7" GPS chart plotter), Log (B&G), Autopilot (SIMRAD TP 32), Chartplotter (B&G Zeus 7" GPS chart plotter), Plotter with GPS antenna (B&G Zeus 7" GPS chart plotter), Wind Station (B&G V60 + cornetta Wireless H60).

Staging and technical:

Engine Alarm, Anchor (Delta 10 Kg con catena 10m e cima 30m), Battery
