cantiere carima Goletta princess

190 000 € ALL TAX INCLUDED

## Description

---

The Goletta Princess is a boat built in mahogany and maple cross planking in the C.A.R.I.M.A. shipyards in Naples in 1979 to a design by the architect M. Simeone

This 1979 schooner is all made of wood and has a very important construction. Made of Mahogany and Maple Cross Planking. 17.74 m long and 5.10 m wide with a draft of 2.90 m and a weight of 23 tons, it participated in the 1982 round-the-world crew.

In the following years, with the change of owners, it underwent improvements. To date, perfectly restored, it offers comfort and excellent performance both under sail and under motor. With its 21 m high masts and a sail area of over 200 square meters. achieves excellent sailing performance.

Powered by a 140 HP engine, the Schooner Princess reaches an average speed of 8/9 Kn per hour.
