2021 Current Rigging - Car Radio - Battery Chargers - Distributor -  
3x110ah Batteries

2019 Head Replacement

A deck saloon with a modern line that stands out for its comfort and interior volumes

Remaining in production from 2007 to 2010, the Bavaria 40 Vision was the first model with a panoramic saloon from the German shipyard.

The project by the J&J studio is characterized by the deckhouse with large windows and the hull with large volumes that allows for spacious interiors, in line with the needs of a modern cruising boat.

When sailing it is stable even in rough seas and reaches good speeds thanks to the generous sail area.

In the cockpit there are two rudder wheels and six winches; The mainsail traveler is on the deckhouse and the transom opens to allow access to the sea.

Navigation equipment:

AIS, Rudder angle indicator, Display, Plotter with GPS antenna.

Staging and technical:

Engine Alarm, Anchor (catena nuova 2022), 3 Batteries (nuove 2021),
