

SALE PRE OWNED

riva Super florida

120 000 € ALL TAX INCLUDED

Description

The Super Florida was born in 1953 as an evolution of the Florida as it was designed expressly for water skiing and therefore equipped with a more powerful engine.

This model, built in 1962, is in good general condition as it has been totally overhauled and the cockpit upholstery is new.

Even the rare Chrysler M80 engine has been reconditioned and has only 50 hours of operation to its credit.

Prestigious Riva open used only in fresh water and in possession of original engine documentation.

More information available on request.
