## Description

---

The Ariston is the most famous of the motorboats designed by Ing. Riva as well as the longest-lived model in wood production. From 1950 to 1976, 1012 examples were made.

This legendary speedboat features high-quality craftsmanship, with extraordinary attention to detail and the use of the finest materials. The Riva Ariston offers a perfect combination of exceptional performance and luxurious comfort.

Today, the Riva Ariston continues to enchant boat enthusiasts from all over the world, representing a symbol of timeless elegance and craftsmanship.

This example, launched in 1968, belongs to the second series of Ariston products.

The runabout is in a good state of preservation and still retains its original wooden parts and instrumentation.

The boat has had only 4 owners (one of them VIP) and has been used for several years exclusively in fresh water.

The hull is equipped with the original Riva V8 220 Hp engine (correct matching number) in good working order.

Runabout which needs some restoration work to bring it back to new.
