Description

Dufour 41 owner's version, never used for charter. Three real cabins and two bathrooms: a layout designed for those who want to enjoy the sea without sacrificing practicality. This 2024 Dufour 41 is an excellent alternative to a new model: same model, same onboard experience, but with immediate availability. Designed for comfortable living with family or friends, it offers a cozy and functional living area, a kitchen complete with oven, microwave, and refrigerator, and a perfectly equipped cockpit with folding table, grill plate, and outdoor sink: everything at your fingertips. The double helm makes every maneuver easy and leaves plenty of space for livability on board. The bow thruster and electric winch simplify operations even with a small crew. Completing the equipment: folding platform, bimini and sprayhood, Fusion stereo, B&G electronics complete with autopilot and triple display. Easy to use, comfortable to live in, ready to set sail. Used Dufour 41. The information contained in this document is not to be considered contractual.
