## Description

---

The Toy 36 by Toy Marine is an 11-meter (36-foot) lobster boat that reinterprets the classic American style, produced in Italy, in Savona, in a modern and elegant way, as a semi-custom "small masterpiece". Known for its deep V hull, it offers stability, comfort and timeless lines, ideal for day cruises. Inspired by the American Lobster Boats of the '30s, it combines Italian elegance, declined through high quality materials and sartorial attention to detail. It has a large cockpit, covered dinette with a sunroof, sundeck in the bow and a V-shaped master cabin, equipped with a bathroom with shower. Designed to be safe and easy to manoeuvre, it mounts easily accessible shaft line engines, under the triumphant aft sundecks. The Toy 36 is rightly considered a progenitor of the lobster genre in Italy, appreciated for its timeless classic line.
