## Description

---

Dufour 390 – 2022

Immaculate condition!!

This 2022 Dufour 390 is in exceptional condition and fully ready to sail. Modern, elegant, and efficient, it is perfectly suited for both coastal and offshore cruising, offering remarkable onboard comfort and great ease of handling.

It is powered by a 50 hp Volvo Penta D2 engine with Sail Drive transmission and a three-blade propeller, totaling 392 engine hours. A complete service was carried out in 2025, ensuring optimal reliability for the coming seasons.

This Dufour 390 comes with numerous high-end features: a solar panel for enhanced energy autonomy, an inverter for all your electrical needs, a self-tacking jib and furling mainsail for effortless sailing, as well as twin carbon steering wheels for precise and sporty maneuvering. It also includes a full set of canvases (bimini, sprayhood, covers) providing comfort and protection in all weather conditions.

The bright and spacious interior offers a refined and functional layout, perfect for family cruises or sailing with friends. The generous cockpit invites relaxation, while the comprehensive navigation equipment ensures safe and enjoyable passages.

Viewings available 7 days a week by appointment in Villeneuve Loubet.

Mooring berth in the 06 area available for rental.
