Description

This 2007 Leopard 46 is offered in its highly sought-after three-cabin owner's version featuring a spacious dedicated owner's suite on the starboard side along with two generously sized and perfectly appointed guest cabins on the port side. This model stands out for its careful and consistent maintenance as well as numerous technical upgrades that make it a vessel ready to set off immediately on new voyages.

It is a first-owner boat.

The Yanmar engines were replaced in 2018 and have approximately seven hundred hours of use ensuring modern and reliable propulsion. The yacht is also equipped with a generator providing full autonomy for long-range cruising. Air conditioning and heating offer optimal comfort in all seasons while the washing machine and electric toilets enhance the residential feel that is particularly appreciated on this model. The sails are very recent delivering excellent sailing performance with cruising speeds of 8 knots and peaks of up to 11 knots and improved safety under sail.

The overall condition is good and the boat only requires routine mechanical servicing and the 2026 antifouling to be scheduled for the upcoming season allowing the future owner to begin the year with a clean and properly prepared vessel. The Flexiteek can easily last for another two seasons and will likely need to be redone afterward. The three-cabin configuration provides an exceptional level of comfort. The large owner's suite features a wide berth a work area generous storage space and a private bathroom. The two guest cabins also offer their own private bathrooms making life on board smooth and
