## Description

---

TM90 – CROSSOVER "Exploratory and Performance" VINYL ESTER FRP OR STEEL

The TM90 embodies the perfect synthesis of luxury comfort and the ability to explore. With powerful engines, exceptional stability and considerable fuel range, this crossover yacht is designed for those who want uncompromising panoramic sailing. Well-distributed spaces, optimized layout and an Italian design make the TM90 ideal for long-haul itineraries and hospitality for 18 people.

Perfect for family cruises, luxury charters or transoceanic voyages, the TM90 combines performance and style in an exclusive, versatile and highly customizable design.

Designed specifically for fans of the cruising style, the new Custom Yacht TM90 optimizes the potential of an explorer yacht with an Italian style low consumption, comfort and great autonomy are its peculiarities and make the TM90 a Crossover Yacht characterized by modern shapes and looks, ideal for long-range sea cruisers in unexplored places, Capable of carrying up to 18 people, 12 guests plus crew.

Resin coating and layering in compliance with CE regulations Work alive with longitudinal / transverse reinforcements and doubling of stratification in the keel. Finishing below the waterline with three coats of black antifouling. Appropriate galvanic current protection
