Description

The NAUTICAT 38 is the epitome of the sailing trawler: Robust, Safe, and Ready for the Open Sea.

A legendary Finnish build.

Here is a Nauticat 38 in excellent condition. A true "home on the water," this ketch (currently rigged as a sloop with a self-tacking jib for absolute ease of handling) is the ideal vessel for those who refuse to choose between the comfort of a protected wheelhouse and the pleasure of sailing.

Key Features That Make the Difference

- * Four-Season Sailing: Dual helm stations (inside/outside). Sail in dry conditions with a 360° view when the weather turns foul.
- * Exceptional Maneuverability: Equipped with a powerful bow thruster for stress-free docking, even single-handed.
- * Range & Economy: Indestructible Ford Lehman engine (3800 hours). Record fuel consumption of 5L/h, offering impressive engine range.

An Interior Designed for Living Aboard

"Master" Living Area: An aft owner's cabin worthy of a much larger vessel, with a private bathroom.

The clever layout optimizes every inch:

Capacity: 6 berths / 2 cabins / 2 bathrooms

The Wheelhouse: A bright, panoramic lounge, the true heart of the boat.

Gallery & Saloon: Located below deck, offering a convivial space convertible into a double berth.

Thermal Comfort: Ideal for both Nordic waters and the Mediterranean thanks to its superior insulation. Reliable oil heating and a watermaker.
