The NAUTA 50 "SAISON ROSE" is much more than a yacht: it is a true statement of timeless style. Designed by Scott Kaufman, with elegant lines by Lorenzo Bellini and built with the excellence of S.A.I. Ambrosini, she combines sailing performance, superior build quality and refined aesthetics. The Kevlar and fiberglass structure ensures rigidity and lightness, delivering powerful and safe sailing.

The interiors express authentic and understated luxury, with fine woods and harmonious volumes creating welcoming and elegant spaces, while the deck reflects the great artisanal tradition in stainless steel craftsmanship.

Extensive equipment includes: bow thruster, generator, watermaker, air conditioning, electric furling system, carbon gangway, electric winches, complete Raymarine electronics with autopilot and internal/external GPS, sprayhood and bimini, electric toilets.

Important maintenance works have also been carried out: new electric furling system and batteries (2025), air-conditioning overhaul (2024), new watermaker (2023), engine overhaul etc. - Check the full brochure, the video and the sea trial on our Web site MEDIA SHIP
