MORE YACHTS- MORE 40 OF 2022 WITH 1x30 YANMAR 1400 HOURS OF MOTION - UNIT IN GOOD CONDITION

"More 40 was built with the same goal we had in mind when we built our More 55. It had to be fast, safe and beautiful, and we want to think that we have achieved all these goals. More 40 is a sporty, elegant yacht with excellent cruising performance, based on the ORC and IRC programs, designed by our partner Maurizio Cossutti. Just like with the More 55, our construction concept is based on a lightweight and robust construction. We have used the same technologies, ensuring that our More 40 is light and fast, but at the same time very safe. Elements such as the stainless steel frame, carbon fiber reinforcements and vacuum-infused hull make More a yacht with top-of-the-line niche features. We are sure that it will give our owners who are passionate about sailing numerous victories in regattas and, for those who are more interested in relaxation, quality and memorable moments."

Staging and technical:

Engine Alarm, Bilge Alarm, Water pressure pump, Twin Steering, Courtesy Lights, Automatic Bilge Pump, Shorepower connector, Water harbor connector system, Electric Windlass, Strand rigging, swimming ladder, cockpit table.
