## Description

---

The Bluegame BGX60 represents an innovative concept of yacht, designed to offer an immersive sailing experience and direct contact with the sea. This boat combines contemporary design and advanced features, all designed to maximize liveability on board. With the 3-cabin layout, this unit is ideal for accommodating family and friends while ensuring comfort and privacy during extended cruises. The lounge at sea level, a distinctive element of the BGX line, opens directly onto the large aft beach area, creating a continuous connection between inside and outside. Performance is entrusted to Volvo Penta IPS engines, capable of offering a cruising speed of around 25–27 knots with great efficiency and maneuverability. This configuration represents an exclusive opportunity for those who want a modern, elegant yacht designed to experience the sea in maximum comfort.
