## Description

---

Leopard 27 from 2003, UK-flagged, VAT paid, and equipped with stabilizers, is currently moored in the Balearic Islands.

The Leopard 27 is a powerful yacht with a stealthy design, ideal for Mediterranean cruising. Fully refitted with numerous upgrades, it provides the opportunity to 'prowl' through paradise aboard a yacht that embodies the elegance and power of a leopard. Viewings are highly recommended. The boat also includes a base port in Ibiza during the summer season.

Powered by twin 2000 HP MTU engines, it reaches a top speed of 30 knots. Navigation equipment includes radar, GPS, and autopilot. The main deck features an open Sideck layout, and the salon offers a versatile design with a retractable roof. The yacht has five cabins, accommodating up to 11 guests, including a full-beam master suite with a king bed, vanity, sofa, and wardrobe, as well as a large sunbathing area and lounge at the rear and a spacious foredeck sunpad. The crew area is designed for three people, and the galley is well-equipped with a new refrigerator. It also includes a large garage, tender, Void speakers, powerful amplifiers, and a DJ mixer connection. This yacht has an excellent charter history. Viewings available daily by appointment.
