### OLD. BUT GOLD.

This 1995 Mangusta 92 is surprisingly still in her first Owner's hands. And during my inspection it was quite easy for me to understand why he kept the unit so long. We're in front of a pure open boat, with the bliss of stern sunpads and airy cockpit, naturally voted for entertaining in style right overwater. But yet the interiors benefits of the comfort that a large motoryacht can offer. The interior salon is lowered and reminds of the one coming (many) years later on the Mangusta 130.

4 big staterooms, each one with ensuite, all of them with bidet.

And most important (!) the crew has great privacy in their compartment where the large galley is. Expecting being easy to have relaxed crew and either fair level of service onboard.

Immense the engine room, once in there hard to believe we're on a 90foot. Again looked to me more of a 130"s machinery area.

Topping 30 kts, cruising 25kts. And, surprisingly, clever at 12 kts too.

Modern electric automatic interceptors made it happen to have her ferry-steady at any speed..

Wait no more. This beautifully maintained jewel can be yours at the very fair listed price.

Feel free to get it touch.

Navigation equipment:

Electronic engine control, Chain counter, Co-pilot seat.

Staging and technical:

Teak Side Decks (flexiteak), Deck Shower, Directional Spotlight, Electric Flaps, Tender Garage, Fire Extinguishing System, Flaps Indicators,
