## Description

---

KIJO is a deamon young Lady in the Japeneese mythology. Now; we may agree on the young Lady, after the streamlined blue silhouette of this superyacht. Yet definitely she's all but evil inside, after cozy housefeeling yacht. Warm hardwoods and mild tones is all you feel once onboard for a very good feeling of tranquillity. This is the way we do feel KIJO.

The saloon is rich in sofas a large table and a wet bar. Cinema and library room is what you'll also find when on.

She sleeps twelve guests in five proper staterooms. So good the master apartment up front.

Elegant the exteriors too.

Two major technical notices:

- TOTAL engines and generators overhaul, with engines around 400 ours since. This whole job alone is WORTH 3 MLNS.
- modern stabilisation system working as a bliss both underway and zero speed

Here the deamon comes out. The twin Mtus of (almost) 8.000 horsepower combined can continuously have KIJO on cruise speed of 17 kts. A truly remarkable achievement for a 45mts Vessel.

KIJO's all you may need on your next superyacht adventures.

REAL SELLER.

Navigation equipment:

AIS, Electronic engine control, Chain counter, DSC vhf, Intercom, Joystick, Co-pilot seat, Satellite Phone.

Staging and technical:
