Description

The Arcadia Sherpa 60 is a revolutionary boat that blends contemporary design, energy efficiency and extraordinary livability. With a length of approximately 18 meters, the Sherpa 60 offers unexpected volumes for its category, thanks to a modular layout and an open-plan main deck that opens to the outside. The characteristic Arcadia style is reflected in the use of integrated solar panels, designed to reduce consumption and noise, improving the experience on board. Ideal for those who want to sail with the utmost respect for the environment without sacrificing luxury and technology, the Sherpa 60 is the perfect choice for refined and sustainable cruises.
