riva 56 rivale

2 050 000 € ALL TAX INCLUDED

Description

Clio Dorada is one of the purest expressions of Italian nautical design, an open that blends power, elegance and craftsmanship without compromise. Featuring a sleek profile that conveys immediate appeal, this yacht is designed for those looking for an exciting and technologically advanced experience at sea. The design of the Riva 56' Rivale, born from the collaboration between Officina Italiana Design and the Ferretti Group, stands out for its sporty lines and an almost futuristic aesthetic. The gold-colored finish of the hull gives it a magnetic presence on the water, and innovative solutions such as the wraparound windshield that protects the pilot while allowing total visual contact with the sea, and electric awnings that provide immediate shade when needed, make the sailing experience more than comfortable. The external layout includes a large cockpit, houses a double "L" sofa, a teak table and a generous sundeck at the stern. The habitability below deck is surprising for an open of this size, with luxury finishes that include fine woods, mirrored surfaces and white Corian. Clio Dorada has two cabins: the owner's suite on the starboard side and a VIP cabin in the bow, both with en-suite bathrooms. The common areas offer generous heights and a natural brightness that makes every room pleasant and airy. Equipped with MAN V8 engines, the Rivale guarantees pure sports performance without sacrificing elegance. With the 1,200 HP engine, it reaches a maximum speed of 38 knots and a cruising speed of 34 knots. A garage with a carbon fiber tailgate at the stern allows you to comfortably accommodate a tender, such as the Williams 325.
