The Dufour 445 Grand Large The Dufour 445 Grand Large is a cruising sailing boat designed to combine elegance, comfort and excellent performance. Launched in 2010, it was designed to meet the needs of both cruisers looking for generous space and practical functionality, and those who want a high-performance boat that is easy to manoeuvre, even with a small crew. Design and Fairing Designed by the famous designer Umberto Felci in collaboration with the Dufour team, the Dufour 445 GL stands out for its balanced fairing and modern lines. The wide maximum beam extends towards the stern, offering greater stability and more generous interior spaces. (SVN)
