

SALE PRE OWNED

fratelli aprea Sorrento 36 hard top

550 000 € ALL TAX INCLUDED

Description

The Fratelli Aprea Sorrento 36' Hard Top – year 2024 represents the modern evolution of the classic Sorrento gozzo, with a balanced combination of tradition, construction solidity and concrete performance. This ready-to-sail unit looks like new. Shaft line, stable hull and fiberglass construction guarantee reliability and sailing comfort. The unit is equipped with 2 x Yanmar 360 HP with about 250 hours, a maximum speed of 29 knots and a cruise speed of 23 knots with a declared consumption of 70 l/h in total, a very competitive figure for the category

Externally, the teak on the deck and cockpit, the hydraulic gangway, the generous aft platform and the second outdoor kitchen corner with ceramic hob and sink stand out. The cockpit is protected by a hard top with a sliding sunroof, a solution that allows natural ventilation and versatile use in all seasons.

The boat is equipped with bow thruster, hydraulic flaps, 5 kW generator, air conditioning, full Garmin instrumentation (GPS, plotter, autopilot, VHF) and safety equipment within 50 miles.

In 2026 it was dry cleaned indoors with complete service, antifouling, teak treatment, ringleader painting and propeller balancing.

INTERIOR DESCRIPTION

The interiors of the Sorrento 36' Hard Top maintain the typical artisan style of the shipyard, with warm woods, wooden flooring and careful finishes

The layout includes a double cabin in the bow with an "Italian" bed and a second cabin with bunk beds, for a total of 4 beds in cabins plus 2 in
