## Description

---

The design of the Beneteau Monte Carlo 5 aims to blend Italian elegance with French industrial know-how. And he succeeds! The flybridge is a complete living space with a helm station, sunbathing area for 8 people and an option for an outdoor kitchen with grill. The interior includes 3 comfortable cabins and 2 bathrooms. The owner's cabin is full-beam with large circular windows, while the VIP cabin is located forward.

On the main deck, the bright saloon, the one-piece windshield for maximum visibility and a galley positioned to connect interior and exterior, allow extraordinary roominess.

Integration with Volvo Penta's IPS joystick makes mooring maneuvers and control in tight spaces much easier.

High-quality materials such as vegetable tanned leather, brushed oak and hand-finished details that give a modern yet timeless look.
