Description

THE BIRTH OF A NEW ERA

The intention of Cantiere del Pardo was to reinterpret the unmistakable VanDutch style in a more contemporary and Mediterranean key. To achieve this, it turned to the BurdissoCapponi Yachts&Design firm in Ravenna, which chose to start from a new concept for the interiors, in which the "Black and White" style with lacquered finish (typical of the VanDutch Yachts brand) is adjusted by using a black and material essence that contrasts with the lighter, noble materials, such as the suede of the upholstery, the lacquer of the slats and the fabric of the ceiling covers.

TIMELESS STYLE

The external lines maintain that timeless style behind the success of the VanDutch production, with the addition of some technical details that act as aesthetic elements as well, working together and interacting for maximum integration.

SOFT TOP

The new Soft-Top was designed with the intention of introducing a functional element to protect the spacious lounge area, while preserving the shape balance without moving the visual volume of the boat upwards.

EXTERNAL DINETTE

Conviviality in the external dinette is crucial, as demonstrated by the two large sofas and the pair of transformable tables in mirror-image configuration, which together can seat 10 people.

The ribbed cushions, inspired by the sports cars of the past, recall and
