## Description

---

Offered for sale by Orange Yachting, the official factory-authorized dealer for Pardo Yachts: the new Pardo 43, in dark gray metallic!!! The new Pardo 43 reveals its soul at first glance. Enlarged hull windows flood the interior with natural light, giving the profile a lighter, more refined look. The signature upside-down bow is now combined with sleeker, sharper lines, creating a silhouette that feels both dynamic and powerful. The redesigned carbon T-Top flows seamlessly into the windshield, ensuring both protection and visual harmony, while the extended sunbed evokes the elegance of a supercar. Every line, every angle has been carefully crafted to balance Italian elegance with a bold sporting spirit. Whether underway or at anchor, the Pardo 43 attracts attention as an unmistakable icon of Made in Italy.

### Exteriors

The new Pardo 43 is the natural evolution of a design that has set the standard. The exterior lines are inspired by the world of sports cars: from the extended sun bed and seamlessly integrated windshield to the powerful, muscular stern. Wide running decks ensure fluid motion and safety in any situation, while the inverted bow retains the model's iconic DNA.

The refined proportions create a unique balance between elegance and sportiness, further emphasized by the seamless integration of the T-Top and windshield. Every architectural element is designed to combine aesthetics with function - from the sculptural air intakes in the hull sides to the rational layout of the deck spaces. A yacht that embodies dynamic beauty and is destined to leave a lasting
