Description

The newly redesigned hull includes a revised ergonomic stern and expanded volumes for outstanding external coziness with the goal of greater livability and connection to the sea.

From the pilot area, you can manage music and the audio system, lighting, charge devices, and many other features. VanDutch transitions exclusively to Garmin electronics for an improved and intuitive user interface. The dashboard features 2 x Garmin 12" displays, together with the joystick, allowing you to always keep everything under control and in total safety.

This VanDutch 40 is available spring 2024, in the color FLORETTI SILVER, please contact us for more information and specifications.
