Description

With the new Aprea Mare Gozzo 35, Aprea mare has succeeded in adapting the classic Gozzo line back to the current wishes. There is a wide range of engine selection possibilities both with propeller shaft (with an output of 270 hp. up to 320 hp.) and star-drive (with an output of 230 hp. up to 320 hp.) to be installed. The interior is spacious and modern, and fully equipped. By placing an outdoor kitchen, sunbeds, the new Gozzo has a lot of space on deck to lounge or relax. A lot of attention has been paid to the design of the hull with lines that place it in a more contemporary line while respecting the aesthetic standards of the classic Gozzo Sorrentino.

We would be happy to tell you much more about it, you can contact info@orangeyachting.com.
