67 500 € ALL TAX INCLUDED

Description

For sale by Orange Yachting: Isloep Rapida 990 from 2010
Step aboard this magnificent 2010 Isloep Rapida 990, a stylish and sporty sloop with a powerful appearance and refined finish. With a length of 9.90 meters and a width of 2.65 meters, this polyester sloop offers plenty of space and comfort, ideal for relaxing trips with friends or family, but also perfect for a more sporty cruise.

Under the hood lies a reliable and powerful 110 HP Yanmar 4-cylinder diesel engine, with which you can cover long distances effortlessly. The boat is equipped with a generous sun deck on the stern, where it is great to relax on sunny days. A second sun deck can also be easily created in the bow, allowing everyone on board to fully enjoy the space and outdoor life.

Inside, the sloop is equipped with a large refrigerator, so drinks and food always stay chilled. An audio system with JBL speakers is provided for musical ambience, and the chart plotter and depth gauge allow you to navigate the water with confidence. The teak deck gives the sloop a luxurious look and feels comfortable underfoot.

The hull and interior were recently professionally repainted, which gives the boat a fresh and well-kept appearance. The spray hood was also renewed two years ago. The boat has been neatly maintained annually and is currently being prepared for sale, including a thorough polishing and deep cleaning of the teak deck.

In short, this Isloep Rapida 990 is a well cared for, complete and ready to sail sloop, ideal for those looking for quality and appearance. The asking price is €67,500.
