? Echo Yacht America 35 – Demo Boat

The Echo Yacht America 35 is a modern walkaround designed to offer performance, stability and great liveability on board.

This unit is offered in like-new condition, used exclusively as a demo boat, with very few hours of motion and is ready at the buoy for the season.

Thanks to the careful study of the hull and the length/width ratio, the America 35 guarantees a perfect balance between speed, stability and comfort, maintaining safe and pleasant navigation even in rough seas.

* Outdoor spaces

The walkaround layout allows you to easily move around the boat and can accommodate up to 12 people during the day.

On board we find:

Large bow sundeck with convivial area

T-Top that protects the control area and the outdoor kitchen

Dining area in the cockpit

aft sundeck above outboard motors

movable stern bridge for easy access to the sea

When submerged, the platform also helps to reduce roll at anchor, increasing comfort when stopped.

? Interior

The interiors offer a functional and welcoming open space environment, ideal for weekends or short cruises.
