

SALE PRE OWNED

solaris power 40 open

635 000 € ALL TAX INCLUDED

Description

First launch and first use in 2024. Elegant lines, intuitive handling and top-of-the-range equipment: this Solaris Power 40 Open is a practical and intelligent alternative to a new boat, with the advantage of being immediately available, with no waiting time. The layout with two cabins and separate toilet ensures privacy and comfort on board, while the electrically operated aft sundeck transforms every stop into a moment of total relaxation. The Volvo joystick, autopilot and bow thruster make every manoeuvre easy, even when sailing solo. The exteriors are embellished with grey synthetic teak with white grouting, a modern and elegant choice that enhances the lines of the hull and ensures maximum practicality and ease of maintenance. Completing the equipment: T-Top, deckhouse and interior sides painted at high temperature, electric stainless steel gangway, triple refrigerator (two of which are external), induction cooker, folding cockpit table, professional stereo system, 5 kW generator, bimini with removable poles and complete covers. Everything has been taken care of down to the last detail, including the cushions. A boat designed for those who want only the best, ready to be enjoyed immediately.

Used Solaris Power 40 Open. The data contained in this form are not to be considered contractual.

Navigation equipment:

Rudder angle indicator, On-Board Computer (Volvo Trip Computer), Chain counter (Digitale), Display, Joystick (Volvo), Autopilot (Volvo), Plotter with GPS antenna (Garmin), Co-pilot seat.
