Description

The 3B Craft 37 Open represents the perfect combination of power, comfort and performance, built with the mastery of the renowned Gregorini Shipyard. With its 11.30 meters in length, it falls into the boat category, allowing you to enjoy large spaces without bureaucratic worries. It is a boat that does not go unnoticed, unique in its kind, designed for those looking for a perfect mix of performance and functionality.

Powered by 2x400 Iveco (Aifo), with only 290 hours of motoring, this boat guarantees you extraordinary speeds. It can reach a top speed of 33 knots and a cruising speed of 23 knots, allowing you to sail with ease and confidence even in the most demanding conditions. Its design studied for navigation and stability makes it perfect for any type of outing at sea.

Equipped with a trolling valve, autopilot and 3.5 kW Mase generator, it is ready for all kinds of adventures, whether you are exploring the sea in peace or fishing. Speaking of fishing, this boat is equipped with 20 rod holders, a live bait tank and underwater lights, to make every fishing trip an even more exciting experience.

the Max 37 is designed for pleasure boating, but which retains the imprint left by the Shipyard's strong fisherman nature.

The clean and sleek line, good roominess and performance, is characterized by large organized and functional outdoor spaces. Inside, a large, well-arranged and bright forward cabin, with light oak wood upholstery or at the customer's choice.

The Max 37 also has a sofa that converts into two comfortable beds.
