Description

Absolute News 2026 – Navan Boats presents the new NAVAN T30
The NAVAN T30 represents the new generation of 10-meter sport walkarounds: a perfect synthesis of offshore performance, modular comfort and fishing vocation.

Designed for demanding owners who want a boat that can adapt to any scenario – from an adrenaline-pumping sporty outing to a day at anchor with the family – the T30 redefines the concept of versatility.

↳ Performance that makes the difference

The heart of the project is the innovative T-Step hull, designed to: Improve hydrodynamic efficiency, Reduce friction and consumption, Ensure stable trim even at high speeds, Offer soft navigation on rough seas.

Powered by up to 450 Mercury® hp, the T30 expresses a decisive and sporty personality, with prompt acceleration and total control at the helm.

? Multifunctional Layout: Fishing and relaxation without compromise

The bridge is designed to transform quickly:

Deep seating in the bow for maximum comfort

Convertible middle seats

Modular cockpit with preparation area

Fishing station

High edges for greater safety when sailing

The result is an intelligent space that goes from a convivial area to an operational fisherman in a few seconds.
