cranchi Zaffiro 29

85 000 € ALL TAX INCLUDED

## Description

---

The 2009 Cranchi Zaffiro 29 is a sporty cruiser that represents very well the philosophy of the Italian shipyard Cranchi: elegant lines, solid construction and great usability of space for coastal cruising.

This unit is in exceptional condition, always put back on site, with regularly serviced engines and constant maintenance. The hull has been polished, while antifouling, transport and launching are already included in the delivery package, making it effectively ready to the buoy and immediately usable.

The boat is full optional and equipped with all the comforts for a complete cruise: air conditioning, microwave oven, kitchen with two-burner induction hob, refrigerator, as well as numerous accessories that make it extremely functional for day trips or weekends at anchor.

The wingers are one of the strengths. The cockpit is large and very convivial, with a sofa and table for outdoor dining, ideal for life on board during the summer season. The boat also has an oversized stern platform in reinforced teak, a very popular solution for access to the sea and tender management.

Several recent interventions further increase its value: repainting of the steering console in 2025, new cushions and completely new Cranchi original cockpit cover awning.

Overall it is a very beautiful unit, extremely well-kept and super-equipped, offered in a state of preservation rare for the category. A boat that combines Italian construction quality, excellent performance and great comfort, ready to sail without the need for interventions.
