Description

Beautiful boat with classic lines. Mt. 8.85 x 3.18. Shaft line motors. 4 beds, separate bathroom, kitchen, equipment el. complete.

A traditional boat, typical of the Balearic Islands, the Menorquin 45L for sale is a comfortable "houseboat" that encloses generous spaces both outside and below deck in just 9 meters. From stern to bow we find a comfortable ladder for climbing from the sea with a swim platform and an equally comfortable folding gangway in steel and wood for disembarking / boarding from land. The cockpit with a rounded stern houses two side seats complete with cushions, protected by a large sun awning mounted on a retractable stainless steel arch. The large side walk-around walkways lead quickly and safely to the bow, to the winch with anchor and chain and to the large sunbathing area complete with cushions. In the cockpit, the large wooden and glass door that can be fully opened connects the outside with the interior of the boat. The interiors are large and bright, with a classic, marine flavor, with a lot of wood and blue cushions. The rudder is a real work of art. The total berths are 4/5, 2/3 of which are in the forward V-cabin, 2 in the convertible dinette. The two rooms are separated by a wooden door. The bathroom is also separate and equipped with shower and sink, the kitchen complete with sink, refrigerator, electric stove. The helm station complete with comfortable seating has a sofa for 2/3 guests next to it. The electronic navigation instrumentation is complete and modern: latest generation Raymarine Axiom 9 GPS, echo sounder, VHF radio, autopilot, radar. The instrumentation of the Yanmar engines is also complete and functional. The 2 Yanmar turbo diesel engines in shaft
