rapsody 29 oc ff

135 000 € ALL TAX INCLUDED

Description

The Dutch shipyard Rapsody has been producing traditional Scandinavian yachts since the late nineties of the last century. Since its foundation, more than 400 boats have been built with a traditional design combined with the most modern construction technologies. The 29 OC FF model takes its name from its all-fiberglass construction (both hull and deck).

This 2003 example is in good overall condition as it is efficiently maintained by the current owner.
