Description

Fuoriserie is Italia Yachts' line dedicated to those looking for uniqueness and uncompromising performance. Innovation is combined with Italian craftsmanship to create tailor-made boats, designed to reflect the unique vision of each owner.

Each model is a perfect mix of performance, design and sartorial care, to live a truly out of the ordinary sailing experience.

Italia Yachts 9.98 is a fast, responsive and at the same time easy to sail boat. Designed to offer the best in racing, it maintains an excellent balance even in light winds, making it also suitable for sport cruising. The hull is the result of in-depth fluid-dynamic analysis and optimized to ensure stability, symmetry and superior performance at both downwind and upwind speeds.

The IY 9.98 is also designed for longer voyages: two cabins, aft bathroom, galley and chart area coexist in a refined and functional layout. Some elements are removable to reduce displacement in racing.
