## Description

---

We offer for sale this Tiara 44 Coupé registered in 2023, a unit that we sold new and now put back on the market exclusively for the owner's boat change. A rare opportunity for those looking for an American premium coupe, with solid construction, level finishes and a setting designed for fast and comfortable cruising. The 44 Coupé is appreciated for its balance between sportiness and liveability: extremely bright panoramic saloon, hard-top/sunroof and great continuity between inside and outside thanks to the solution with galley aft and direct access to the cockpit, ideal for conviviality at anchor and in port. Volvo Penta IPS propulsion and joystick ensures easy manoeuvring and precise control, while the presence of the Seakeeper (stabilisation) further enhances comfort and quality of stay on board, reducing body roll both at sea and at anchor. Below deck, the boat offers a typically owner-oriented layout, with two cabins and dedicated services, designed to ensure privacy and usability even on multi-day cruises.

### Navigation equipment:

Rudder angle indicator, Radar Antenna (Garmin Fantom 54, 48" Open Attay), Compass (Ritchie SuperSport SS2000), Electronic engine control (Volvo), 2 On-Board Computer (Volvo), Odometer (Garmin), Depth Sounder (Garmin), GPS (Garmin), Joystick (Volvo IPS Plus), Consumption monitor, Autopilot (Garmin), 2 Chartplotter (Garmin 16"), Radar (Garmin), VHF Radio (Garmin), Co-pilot seat, Dynamic positioning system.
