SALE NEW

fountaine pajot 48

Description

The "New FP | 48"
Succeeding the Tanna 47, the FP | 48 incorporates all the latest innovations from the Fountaine Pajot catamaran range, in terms of layout, equipment, and technology, while maintaining optimal maneuverability with a reduced crew. The open ocean is waiting for you!
The NEW FP | 48 will surprise you with its unique and innovative layout, designed for lovers of space and comfort. Thanks to its large 3-meter-wide opening, large windows, and forward serving hatch, the FP | 48 is fully connected to the outdoors and oriented toward the ocean. Its spacious saloon accommodates an enlarged central island, a kitchen area with ample storage, and a large bench that can seat the entire crew.
Outside, you simply choose your favorite place to relax in the sun: an aft daybed facing the horizon, wide cockpit benches, or the large sunbeds at the front. For those who love elevated views, the flybridge offers seating and sunbathing areas that are especially enjoyable while sailing.
When it comes to navigation, stay connected with your surroundings thanks to the helm station in an intermediate position, which centralizes all maneuvers and expands your field of vision. The FP | 48 fits perfectly within the lineage of the range and its predecessors, remaining a high-performance catamaran that is easy to handle with a small crew.
Two innovative and unique configurations:
The New FP | 48 is available in a Maestro version – 3 cabins or a Quintet
