Description

The San Juan 40 FB represents one of the most iconic interpretations of the classic American lobster boat, combining timeless elegance, excellent seaworthiness and construction of the highest level. This model offers all the refined style, performance and comfort of the San Juan 40 Sedan, with the added value of a second helm station on the flybridge, which allows for outdoor handling with excellent 360° visibility. The interiors are designed with the same attention to detail that characterizes all San Juan production: elegant environments, fine finishes and superior on-board comfort, capable of making life on board pleasant both on cruises and during day trips. TEXAS is an excellent example of this model: its owner, an experienced sailor, wanted the best possible configuration and carefully followed, together with the shipyard, all the phases of construction and customization. A boat for true connoisseurs.
