Description

Superb Bali Catamarans 4.2 vintage 2024, Owner version 3 cabins – 2 bathrooms – 3 toilets, combining elegance, comfort, and performance. Designed to offer total autonomy and high-end comfort, it is equipped with reversible air conditioning, a watermaker, a generator, solar panels, and large tanks, ideal for long cruises in complete serenity. Its high-performance sails, complete Raymarine electronics, and electric winches ensure smooth and pleasant navigation. The vast outdoor spaces invite relaxation: generous sunbathing on the flybridge and cockpit, integrated plancha for convivial moments, and breathtaking sea views to fully experience each stopover. Optionally, it is possible to add a Gala dinghy with a Mercury 20 hp engine for €12,000 including tax, in addition to the price of the boat. A rare opportunity to acquire a nearly new Bali 4.2, perfectly equipped and ready to take you on new adventures.
