sacs Strider 11 open back

267 000 € ALL TAX INCLUDED

Description

The SACS Strider 11 Open Back is the perfect balance between sportiness and comfort, ideal for thrill-seekers as well as those looking to fully enjoy time at sea with family and friends.

With her high-performance hull and distinctive Italian design by SACS Marine, this model combines power, stability and style.

This 2020 model, powered by twin Mercury 300 V8 engines, is in excellent condition, with only 200 engine hours.

She features a very attractive specification including joystick control, Raymarine day/night camera, underwater lights, 16" GPS/chartplotter & depth sounder, dual refrigerators and bow thruster.

An additional 230 L fuel tank increases total fuel capacity to 760 L, providing excellent range for longer trips or reducing refuelling frequency.

A fantastic opportunity, now available at BARCARES YACHTING.
