Description

Are you looking for a spacious, well-powered, reliable and remarkably well-equipped boat?

The 2016 Bavaria S450 HT with 3 cabins is a real gem. Designed for both long cruises and day trips, it combines comfort, power and manoeuvrability. Thanks to the joystick control + thruster, you can enter and leave the harbour stress-free, even with a small crew. Its large, submersible hydraulic bathing platform becomes a real private beach when at anchor.

Inside, air conditioning, a generator and a washing machine offer a level of comfort rarely found on a boat of this size. The rigid hardtop protects you from the sun and bad weather, while maintaining a beautiful view of the outside. The radar enhances your safety, even in reduced visibility. With three full cabins and two bathrooms, there is space for everyone in a cosy and warm atmosphere.

The Bavaria S450 HT appeals with its balance: it is a seaworthy boat, pleasant to sail and designed to last.
