Description

"OXYGENE" is a SUN FAST 26 N°1 of the series, a success from the JEANNEAU shipyard. It is fast, pleasant to steer while remaining manageable with a small crew and family. It was designed by Philippe Briand, one of the most recognized French architects in yachting. Thanks to its very rearward beam, the cockpit is large, a beautiful spacious rear cabin 2.00mx 1.60m, a convertible saloon, a forepeak, very suitable for cruising. The boat is perfectly maintained and well equipped. It is visible afloat by appointment in MARTIGUES.
